

Greece Jigsaw

1. Brainstorm at least six accomplishments or famous events or famous people from ancient Greece. List them.
2. Draw and color each item on your list inside a puzzle piece. You may title each piece if you like, such as "Parthenon," or "Greek alphabet," for example.
3. Glue your puzzle onto a piece of thin cardboard.
4. Cut out the puzzle pieces and see if a friend can put together your Greece Jigsaw.
